On motion of _____, which carried ____, the following resolution was adopted:

A RESOLUTION AUTHORIZING THE REALIGNMENT AND VACATION OF A PORTION OF THEATRE ROAD (STATE ROUTE 706) IN CONJUNCTION WITH THE DEVELOPMENT OF THE TABB AREA WAL-MART STORE

WHEREAS, the Virginia Department of Transportation has approved a plat depicting the additions, discontinuances and abandonments required in the secondary system of state highways with respect to the relocation of a portion of Theatre Road in York County, which plat is dated November 9, 2000, and entitled "Plat Showing Right-of-Way Dedication and Right-of-Way Vacation of Theatre Road, State Route 706, Bethel Magisterial District, County of York, Virginia," which plat is hereby incorporated herein by reference; and

WHEREAS, the new portion of Theatre Road and Josephs Drive as shown on the plat serve the same citizens as those portions of the old road identified to be abandoned and those segments no longer serve a public need;

NOW, THEREFORE, BE IT RESOLVED, the York County Board of Supervisors hereby orders, pursuant to § 33.1-155, Code of Virginia, the following segments of roads abandoned as part of the secondary system of state highways, at such time as the drainage, utility, and water line easements depicted on the referenced above have been deeded to the County of York, because a new road serving the same citizens has been built.

BE IT FURTHER RESOLVED, the York County Board of Supervisors hereby requests the Commissioner of the Virginia Department of Transportation to add the following segments of roads to the secondary system of state highways maintained by said highway.

Those roadways shown on the plat as "Josephs Drive 70' R/W State Route 804" and "Theater Road Proposed 50' R/W State Route 706", together with those drainage and slope maintenance easements shown on the plat as being dedicated to the Virginia Department of Transportation and more specifically described on the attached SR-5A.

In the County of York

By resolution of the governing body adopted October 7, 2003

The following Form SR-5A is hereby attached and incorporated as part of the governing body's resolution for changes in the secondary system of state highways.
